(CBSE 2022)

Q8. Read the source carefully and answer the questions that follow. (4)

Nationalism and Collective Belonging

The sense of collective belonging among Indians was strengthened through a variety of cultural processes. The image of Bharat Mata was created as a visual representation of the nation. Nationalists promoted folklore, songs and legends to revive a sense of pride in India's past. They also reinterpreted history and celebrated figures and events that could unite people around a common national identity. However, the idea of a united nation did not always mean the same thing to all communities and social groups.

i. How did the image of Bharat Mata contribute to nationalism? (1)

ii. Why did nationalists reinterpret Indian history? (1)

iii. Explain any two cultural processes through which the sense of collective belonging was developed in India. (2)
